Achievements and Awards

- The Commitment to Excellence in Education Award from Tompkins Robotics
- Academic Excellence Award from Obra D. Tompkins High School
- 1st place Regional Chairman's Award from FIRST (2019)

Work Experience

WeDo Lego Robotics Teacher, 09/2019 to Current

Code Ninjas - Katy, Texas

- Created, developed, and executed 20+ lessons and work booklets for students to learn WeDo Lego Robotics.
- Supervise and educate other teachers and students.
- Integrated more laptop usage for teaching, testing, and assisting the students through BrainPop, WeDo Lego Robotics Coding, and robot building instructions.
- Created tasks where students could create any robot that followed certain limitations, allowing students to expand their creativity.

Fundraising Leader, 06/2019 to Current

Tompkins Robotics - Katy, Texas

- Responsible for handling payments, sustaining our 8 sponsorships, communicating with parents and businesses, and overall, raising money for our team.
- Composed 2 grant proposals to buy Lego kits for educating elementary and junior high children in robotics afterschool.
- Increased profits by introducing more cost-efficient methods such as substituting materials for side projects.

Student Dance Teacher, 12/2018 to 09/19

Bollywood Dancing Stars - Katy, Texas

- Choreographed and taught 13 Bollywood dances for kindergarten through 3rd grade children, organized their positions for performances, and guided them during their performances.
- Utilized different styles of teaching to accommodate students of all capabilities including a stamping reward system and bringing students aside to provide more help when they struggle so they could all develop a passion for dance.
